ECCE HOMO CHAPEL

FOUNDATION

THE establishment of the Capuchin Fathers at Mt. Calvary, in 1856, led to the foundation of a college in which postulants for the Order might be prepared for their vocation. To make this College more generally useful, its doors were opened in 1861 to young men aspiring to the holy priesthood among the secular clergy. The attendance during the first years was small and the growth of the institution slow, owing to the poverty of the founders, the limited means of the early Catholic settlers and all those difficulties and embarrassments with which pioneers must contend. The modest beginning, however, continued to prosper, almost every year witnessing some addition or alteration, until the traditional quadrangle of the monastery was completed and surrounded by a group of buildings for the accommodation of students.

The main building of the present College was erected in 1881, and in the same year the province of St. Joseph of the Capuchin Order was incorporated, pursuant to the Laws of the State of Wisconsin, for the purpose of conducting churches and colleges.

GENERAL INFORMATION.

Direction—St. Lawrence College stands under the direction of the Capuchin Fathers of the Province of St. Joseph, whose Provincial is ex-officio President of the College and whose Definitors are its Trustees.

Name—Its patron and model is St. Lawrence, an illustrious Saint of the Order of Capuchins. Born at Brundusium, Italy, July 22, 1559, he entered the newly founded Order of Capuchins at the age of 16. In his earliest youth he had exhibited a wonderful development of the faculties of his mind and heart, and in his higher studies at Padua he excelled above all his competitors in intellectual penetration, retentive memory, gentle disposition and untiring diligence. His knowledge of Latin, Greek, Hebrew, Chaldaic, German, Bohemian, French and Spanish was considered miraculous. His faculty in dealing with the most intricate philosophical and theological questions, together with oratorical powers and profound piety, caused him to be appointed Lector of the Venetian Province of the Order when only 22 years of age. He soon after became Guardian, in 1587; Provincial, in 1593; Definitor General, in 1596; Papal Legate to Germany, in 1599; the inspiring director of the Christian forces against the Turks, in 1601; General of the Order, in 1602; Papal Envoy to Germany, 1606; to Bavaria, in 1609; to Spain, in 1619. He died July 22, 1619, was beatified in 1783, and canonized by Leo XIII December 8, 1881.

Object—The general aim of this institution is to educate young men for the holy priesthood; yet the pre-eminent aim is to prepare aspirants for the religious life in the Capuchin Order.

Location—St. Lawrence College enjoys a very beautiful location 600 feet above Lake Michigan and 400 feet above Lake Winnebago, only a few miles distant. It is sufficiently elevated to enjoy a bracing atmosphere, at the same time sufficiently remote from the chilling vapors of the lake. In its elevated location it commands a charming view of one of the most fertile and best cultivated sections of Wisconsin. The surrounding grounds have been attractively improved, to make Mt. Calvary a secluded and pleasant retreat for the lover of study.

Accessibility—Mt. Calvary is a small village 12 miles east of Fond du Lac and one mile and a half from Calvary, a station on the Fond du Lac and Sheboygan branch of the Chicago & Northwestern railroad. Connections are made at Fond du Lac with the main line of the Chicago & Northwestern, the Chicago, Milwaukee & St. Paul and the Wisconsin Central roads; at Plymouth with the Milwaukee & St. Paul; at Sheboygan with the Lake Shore line. Trains leave Fond du Lac at 10:15 a. m. and 5:15 p. m.; Sheboygan at 7:00 a. m. and 2:15 p. m. Best connections are made by way of Fond du Lac.

The Buildings—The church with the monastery are brick structures forming a large quadrangle. In the south wing of the latter are the kitchen and refectory for the students. The main building of the College is a massive edifice with a basement and four stories, containing study halls, dormitories, recitation rooms, recreation rooms, etc. St. Joseph's Hall contains a spacious dormitory, several rooms for piano practice and rehearsals, as well as a trunk room. St. Thomas Hall is devoted to literary assemblies, dramatical and musical entertainments and gymnastic exercises. A beautiful chapel has been erected at great cost for the exclusive use of the students. It is furnished with artistic altars, numerous statues and tasty decorations.

Methods of Teaching—The success of our educational work is secured by the uniformity of method in the teaching of all instructors, who, in regular conferences, deliberate on the methods most natural, thorough and effective for the advancement of the student in the various branches of study, and faithfully adhere to the adopted methods of the institution.

Discipline—For the maintenance of order, reasonably strict regulations are necessary. The students are under the supervision of the Rev. Fr. Prefects or their assistants; but obedience to the rules is enforced more by moral motives than severe methods. The Rector reserves the right to dismiss any student, who, after repeated admonition, shows a character so doubtful as to require extraordinary supervision.

Scholarships—A limited number of scholarships is granted to poor and deserving boys who aspire to the holy priesthood in the Capuchin Order.

Degrees—This institution, by virtue of the charter of the Province of St. Joseph of the Capuchin Order, is empowered "to confer such degrees and grant such diplomas as are usually conferred by similar institutions."

SPECIAL DIRECTIONS.

Parents and Guardians, for obvious reasons, are earnestly requested to send their sons and wards at the begining of September. Although students may enter at any time, none will be admitted for a shorter period than one term.

Boys under 12 years of age will not be admitted.

Satisfactory testimonials of good conduct will be required from those who come from other institutions.

Candidates for admission to advanced classes must pass an examination, after which they will be assigned to the class for which they are found qualified.

Students who receive permission to leave the institution for brief visits will report to the Rector before leaving and immediately after their return.

When a student takes sick he will be carefully nursed, and, should his illness prove dangerous, parents and guardians will receive timely notice. The College will defray expenses for medical attendance to the amount of $5.00 only.

All necessary books, stationery, etc., can be bought at the College at current prices.

No advances will be made by the College for stationery, clothing, pocket money, fares or other expenditures, unless a sufficient sum has been deposited with the Rector.

Parents and Guardians should allow their sons and wards only a moderate amount of pocket money, which should be deposited with the Rector, who will give it as prudence may suggest.

Express charges on parcels sent to students must be prepaid. Eatables should not be sent to students, except during the Christmas and Easter holidays.

All accounts must be settled before a student leaves the Institution.

Should a student enter after the beginning or leave before the end of a term, no deduction will be made for less than a month.

Students should not be called home during the term except for the most urgent reasons.

SERAPHIC SCHOLASTICATE

THE Seraphic Scholasticate offers especial advantages to students desiring to become members of the Capuchin Community, and to serve God more disinterestedly as priests in the religious order. The Scholastics have private rooms in the monastery. They also have their own refectory and recreation hall. They wear a light habit of brown cloth and take part in several of the religious exercises of the community, which enables them to observe and become familiar with the usages and practices of religious life before assuming its responsibilities. They are under the special guidance of a spiritual director, and visit the College only to attend classes of the regular classical course.

Before students are admitted into the Scholasticate they must have been pupils of St. Lawrence College for at least one year and must have completed the second Latin Class.

REV. SALESIUS SCHNEWEIS, O. M. Cap.,
Director of Scholasticate.

THE COLLEGE CHAPEL

SOCIETIES.

I—THIRD ORDER OF ST. FRANCIS.

The Third Order of St. Francis presents the best rule of conduct in the service of God and the work of salvation in every walk of life and under the most varied circumstances. Whosoever lives according to the letter and spirit of this holy rule is preserved from danger to his eternal salvation, receives numerous graces and inspirations for his sanctification, and will, in sentiment and action, be a true servant of God. Our late Pope Leo XIII, himself a Tertiary, has brought the merits of the Third Order before the world in an admirable encyclical, as the remedy for the evils of our times, so nearly resembling the time for which that true reformer, St. Francis, instituted this Order. His urgent appeal to the bishops of the world to propagate the Third Order has made it popular with cardinals, bishops and priests. Enrollment in the Third Order is therefore encouraged among the students. Applicants must be 16 years old. The members have monthly meetings and devotions in the college chapel.

SCHEDULE OF COURSES.

The College comprises a **Preparatory** and **Classical** Course.

The **Preparatory Course** is arranged for those students who are not far enough advanced to enter one of the higher courses.

The **Classical Course** covers a period of five years, and embraces the study of Latin, Greek, English, German, French, Grammar, Composition, Rhetoric, Literature, History, Geography, the Elements of Botany, Zoology, Physical Geography and Physics.

Christian Doctrine receives the most careful attention, as there can be no real education or effective moral training without it. This instrution is based upon Catechism and Bible History in the preparatory, first and second classes, upon the exposition of the Ecclesiastical Year in the third class, and upon the evidences of the Catholic Religion in the fourth and fifth classes.

Latin is taught in all grades of the Classical Course. Paramount attention is paid to Precepts and Practice and the memorizing of Paradigms. No amount of translation of the prose and poetical Models is specified, but much time is devoted to the analysis and remodeling of the selections from classical authors. Translations from English into Latin, several times a week, in all the grades, afford the student ample opportunity to appropriate the words and phrases, upon which he has been drilled in reading the Models.

Greek is taken up in the second year, and continued during four years on the same plan as the Latin. Three hours are devoted to it every week.

English is taught in all its phases: Penmanship, Spelling, Grammar, Composition, Rhetoric and Literature. Although the students are almost exclusively of German descent, the study of the English language is by no means neglected, but receives all the attention due to its prime importance as the language of our country. Three hours a week.

German is obligatory in all courses in view of its essential value as an accomplishment, and its positive benefit in active life. The study of German includes Penmanship, Etymology,

Syntax, Composition, Rhetoric, Poetry and Literature. A special feature of the Institution is, that the students make extensive use of German in their conversation. Prayers and exhortations, as well as table reading, are alternately German and English. Three hours a week.

French is optional for students of the third year and higher classes. On account of the literary and practical value of the French language, its study is recommended. Two hours a week.

Arithmetic is one of the foremost branches in the first and second year classes. Algebra in the third and fourth, Geometry in the fourth and fifth. Three hours a week.

History is taken up in the first class. Bible History and United States History furnishing the texts for the first and second classes, Universal History in the third, fourth and fifth. Mythology is treated with the Latin and Greek Classics. Two hours a week.

Geography is treated as supplementary to History and as a prolific source of culture, in the preparatory and first classes. Two hours a week.

Sciences have been taught this year in the departments of Botany, Zoology, Physical Geography and Physics. Two hours a week.

Drawing may be taken once a week, to acquire facility in the use of pencil and crayon in freehand sketching of landscape, portrait and architectural designs. Advanced students receive instruction in water color and oil painting free of charge, except for materials.

GOLDEN JUBILEE, 1907

CHRONICLE OF EVENTS.

1907.

June 25-26.—As was announced in the last year's issue of our catalogue, June 25th and 26th were to be red letter days in the annals of the St. Joseph Capuchin Province. The semi-centennial celebration of the founding of the Province was a decided success and eclipsed anything ever held on the beautiful mount.

Upon reaching the pretty grounds one could see the great substantial buildings standing as beautiful work of architecture, and the happiness which was in evidence in the large assemblage was sufficient to satisfy the observer that all loved the great Institution and were jubilant that the occasion to observe the golden anniversary had at last approached.

The college proper was a most beautiful sight. Directly in front of the entrance was a large structure of archways. In the construction of this work no pains were spared. Evergreens were prominent in the material used for the makeup. On the four arches of the sructure was inserted alternately the word "Welcome" or "Jubilee" in large gilt letters. The building itself was very tastily decorated with festoon paper of the national colors, evergreen wreaths, etc., entwined with emblems and arrangement in the college-colors; gold, blue and cardinal.

Among the distinguished visitors on this occasion were Most Rev. S. G. Messmer, D. D., Archbishop of Milwaukee; Rt. Rev. H. J. Richter, D. D., Bishop of Grand Rapids; Rt. Rev. James Schwebach, D. D., Bishop of La Crosse; Rt. Rev. Msgr. P. M. Abbelen, V. G., of Milwaukee; Rt. Rev. Msgr. P. J. Lochman, V. G., of Green Bay.

Besides these there were very many Rev. and Lay Alumni, and other visiting clergymen, all of whom were filled with the spirit of real enthusiasm. Everywhere Alumni were in evidence exchanging greetings with former schoolmates and making the acquaintance of those who are now taking up the work which they completed.

Among those present of the Capuchin Order, who deserve special mention, were: Very Rev. Bonaventure Frey, Ex. Prov., O. M. Cap., one of the founders of St. Joseph's Province, Very Rev. Antonine Wilmer, Provincial, O. M. Cap., Very Rev. Jos. Anthony, O. M. Cap., Provincial of the Pittsburg Province, and the Rev. Fathers Definitors.

The program for the occasion, which was faithfully carried out, was as follows:

He entered the Capuchin Order in 1890, and was ordained to the priesthood July 2, 1896. Since then he had been engaged with unabated and almost improvident zeal in parish and missionary work for four years in Milwaukee, three years in Appleton, three years in New York, and one year as Professor of the Latin, French and German languages at the Laurentianum, Mt. Calvary. Besides his numerous hours of classwork, he was occupied in historical researches, especially concerning the foundation and development of Wisconsin and the pioneer work of the Capuchin missionaries in the United States. March 7—Feast of St. Thomas. The members of St. Thomas Society, wearing their new badges, received Holy Communion at an early Mass. At 8:00 A. M. Fr. Charles celebrated a Solemn High Mass assisted by Fr. Salesius and Fr. Boniface. A panegyric of the Saint was delivered by Fr. Albert. Cardinal Newman's "Lead, Kindly Light" furnished the motto of the sermon, and from speaking on hero-worship, both general and Christian, the orator passed to his eulogy of the day's Saint, whom he extolled as the ideal scholar, priest and religious, showing, at the same time, that his three attributes, wisdom, purity, and the monastic spirit of sacrifice, are the qualities conditioning the worthy entrance into the sanctuary.

In the afternoon, the Senior Literary Society enjoyed a special celebration in the College Hall, giving specimens of their elocutionary skill and passing three hours in amicable companionship. the season.

March 17—The students played their first baseball game of the season.

March 26—Rev. L. J. Vaughan paid the college a visit to deliver a lecture on "Shakespeare". After a hearty welcome tendered him by the students he spoke on "How to Study Shakespeare". One of his principal features was his dramatizing of "Julius Cæsar", "Cardinal Wolsey" and "Shylock". He so thrilled the hearts of his hearers that they hardly believed it had lasted 1¼ hours. He will long be remembered by the faculty and students of St. Lawrence College.

April 15-19—The morning services of Holy Week were held in the College Chapel. Tenebrae were sung by the College Choir in the Parish Church. The services were made very impressive.

May 1—On May Day Frank Ascherl received First Holy Communion in the College Chapel. Fr. Maurus, uncle of the student, sang the High Mass, assisted by Fr. Corbinian and Fr. Rector. The Chapel was beautifully decorated to suit the occasion.

At 2:00 P. M. the Procession formed to bear the Statue of Our Lady to her Shrine. Several sacred hymns were played by the College Band.

A STUDY HALL

Rev. Fr. Maurus delivered the oration. Although the weather was not favorable, yet it ceased to rain for ½ hour, making it possible to have the procession.

May 10—Eve of Rector's Day.

The students of the Laurentianum showed no less interest and activity on this joyful occasion than they displayed at the same incident last year. The Chapel presented a festive appearance. Beautiful wreaths adorned the Sanctuary and walls while the Altars were ornamented with numerous fresh cut flowers and many tapers. Active hands also trimmed St. Thomas' Hall in a joy-inspiring manner and the entrance to the Rev. Rector's office as well as the entire students refectory showed proof, by their tasteful drapings, of grateful hearts.

NOTICE.

Books to be had at the Capuchin Monastery, Mt. Calvary, Wis.

THE RISE AND PROGRESS OF THE PROVINCE OF ST. JOSEPH OF THE CAPUCHIN ORDER IN THE UNITED STATES, 1857-1907. —By a Member of the Order. With an Introduction by Charles George Herbermann, Ph. D., LL.D. 12mo, **net**, $0.75. Postage, 10 cents.

"The volume sets forth the noble and disinterested work for the Church and for our country of the Capuchin Fathers of St. Joseph's Province in the United States. The story which it tells is interesting in more than one way. The note of simplicity and truthfulness is perhaps the greatest charm of the volume. Its abstention from rhetorical art, its freedom from cant and from mock humility, combined with abstinence from oblique insinuation, coupled with a plain statement even of disagreeable facts, invests it with an aroma of honesty which both attracts and convinces. In these days, where self-interest, calculation, and scheming are the dominant signature of the world and its deeds, it is indeed refreshing to read this story of struggle and success told plainly and simply without an attempt to magnify it, awarding credit where credit is due, whether to the occupant of the Episcopal throne, to the indefatigable missionary, to the plain layman; whether to Capuchin or to Jesuit or to secular priest."—*From the Introduction.*

GESCHICHTE VON MOUNT CALVARY, FOND DU LAC CO., WIS.— Eine Festgabe zum goldenen Jubilaeum der ersten Ordensniederlassung der Kapuzinervaeter in Nordamerika, 25. Juni, 1907. Auf Geheiss der Ordensobern bearbeitet von P. Corbinian Vieracker, O. M. Cap. 8vo., net, $0.75. Postage 10 cents.

It is not only valuable as a documented history of a flourishing parish; but because Mount Calvary was the cradle of the Capuchin Order in the U. S., and the early history of the parish there is closely interwoven with the early history of the Order itself, far more interesting than the ordinary monograph of this kind and immeasurably more important as a contribution to the history of Our Holy Church in America. The establishment of the Capuchin Order in the wild West by two secular priests, and its growth under almost superhuman difficulties into the great American Capuchin family of today, is truly a wonderful tale. Father Corbinian tells it with a monk's simplicity, more charming than the polished style of many a trained historian. We recommend this modest volume to our readers.—*From the "The Catholic Fortnightly Review" by Arthur Preuss.. Volume XIV. 1907. Page 574.*

ST. LAWRENCE, PATRON OF THE COLLEGE.

St. Lawrence! beacon-light of learning,
Enlightened sage among the sages,
Deep-lustrous star so brightly burning
Amidst the clouds of stormy ages:

Send through the night,
The darkling skies,
Celestial light
To our weak eyes,—
Pour heavenly rays
With gen'rous hands
On all our ways
Through Wisdom's lands!

St. Lawrence! thou love-blazing fire,
With fire's power upwards driven!
Thou seraph wafted high and higher
On wings of Love to God's sweet Heaven:

O lift our Hearts
To God above
With gentle arts
Of father's love,
And lead us all
Through storm and calm
To Eden's Hall
To Virtue's palm!

St. Lawrence! valiant soul-releaser
From iron bonds of sin and error,
In spirit-realms a mighty Caesar,
The Angels' joy, the demons' terror·

We stand in front
Of the array,
Receive the brunt
Of battle's fray,—
Give us thy sword,
Thy warrior-frown,
Thy great reward,
The Victor's crown!
